# Journey of Faith

---

Christ Community Church—October 2009

## Construction Update

Since our last update, there has been substantial progress both inside and out:

- ✓ Interior walls are framed.
- ✓ Most of the electrical work in the building is complete.
- ✓ A fire suppressant system that will meet Alachua County's strict guidelines is installed and working.
- ✓ Air conditioning ducts have been installed throughout the building.
- ✓ Insulation has been sprayed in to the ceiling, and it is being installed on the exterior walls.
- ✓ Stucco work has begun on the exterior.
- ✓ Window frames are installed, half of them already fitted with glass.
- ✓ GRU lift station for city utilities
- ✓ Parking lot and roadways prepared for pavement.
- ✓ Property-wide irrigation system is installed.
- ✓ Privacy and security fence installed on the perimeter of our property.

## JOF Financial Update

### Where Are We?

Of the \$1,288,205 pledged, we have received a total of \$898,202. We are at almost 70% of our pledged goal, and the end of October marks 85% completion of the 3-year timeline. The difference must be made up by March 31, 2010.

### What You Can Do

**Pray:** Pray for God's blessing on the project and for His continued protection of the workers who labor on the job site.

**Give:** If you pledged to Journey of Faith, thank you for supporting the project. Please continue to do so as we near the campaign's end. Any questions or concerns should be directed to Debbie Staples at the church office.

If you have not yet contributed to Journey of Faith but would like to, start today. Contact Debbie Staples at 352.379.4949, 9AM to 4PM, Monday through Thursday, or [dstaples@christcommunitychurch.com](mailto:dstaples@christcommunitychurch.com).
